

# Employer Partner Program

## Find a Friend

**Offering opportunities for smaller companies to reap the same benefits as their larger counterparts**

Criteria for participation in the Employer Partner Program is generally through the purchase 10 HPNA memberships and/or 10 nurse certification exams. Often, companies are not able to meet this criteria on their own. HPNA/HPCC is now allowing multiple companies to partner together for a combined agreement. Find a Friend (company), is a program where together you can qualify as an Employer Partner and reap the benefits of HPNA/HPCC.

If you don't have another company to partner with, request to be part of the HPNA/HPCC pool and we will suggest a "friend" to join with.
